Timberwolves, Milestone Radio, LLC and La Mera Buena Announce Continued Partnership to Air Games in Spanish

Minneapolis/St. Paul – The Minnesota Timberwolves today announced a renewal of the team's partnership with Milestone Radio, LLC to continue broadcasting the team's games in Spanish on La Mera Buena FM 107.5. The agreement includes 10 Spanish-language Timberwolves broadcasts in 2009-10, beginning this next Wednesday's game vs. Denver (7 p.m. tip).

"We're thrilled to continue this great partnership with La Mera Buena and Milestone Radio, LLC," said Ted Johnson, Timberwolves Senior Vice President of Marketing and Communications and Chief Marketing Officer. "Reaching out to our fans in the Latino community has been a priority for our organization for a number of years now and we're pleased to continue offering this great outlet for Spanish-speaking fans to enjoy Wolves basketball."

"All of us at La Mera Buena 107.5 are looking forward to growing this partnership and getting Wolves basketball back on our airwaves," said Neil Freeman, Director of Sports Programming for La Mera Buena. "Our station plays an important role in the local Latino community and we're excited to have the Timberwolves be a part of our programming."

The play-by-play announcer for all Timberwolves Spanish-language broadcasts will be Alfonso Fernandez, who returns for his fifth season of calling the Wolves action on La Mera Buena FM 107.5. Fernandez also serves in the same capacity with the NFL's Minnesota Vikings and MLB's Minnesota Twins. Additionally, Fernandez has called games in Spanish for the Los Angeles Lakers, Clippers and Rams.
